

# **Stellar Phoenix Excel Recovery**

**Version 4.0**

**Installation Guide**

## **Overview**

Stellar Phoenix Excel Recovery is designed to recover corrupted Microsoft Excel (.xls and .xlsx) files. This software scans all selected Excel files and uses an advanced algorithm to restore Excel files back to their original state. The recovered files can either be saved to their original location on the hard disk, or to any user-specified location.

You can preview the Excel files before saving to a location. You can search for Excel files in folders and drives. You can save all or individual files. In addition, you can save files to original location or specific location.
